When You Arrive for Worship

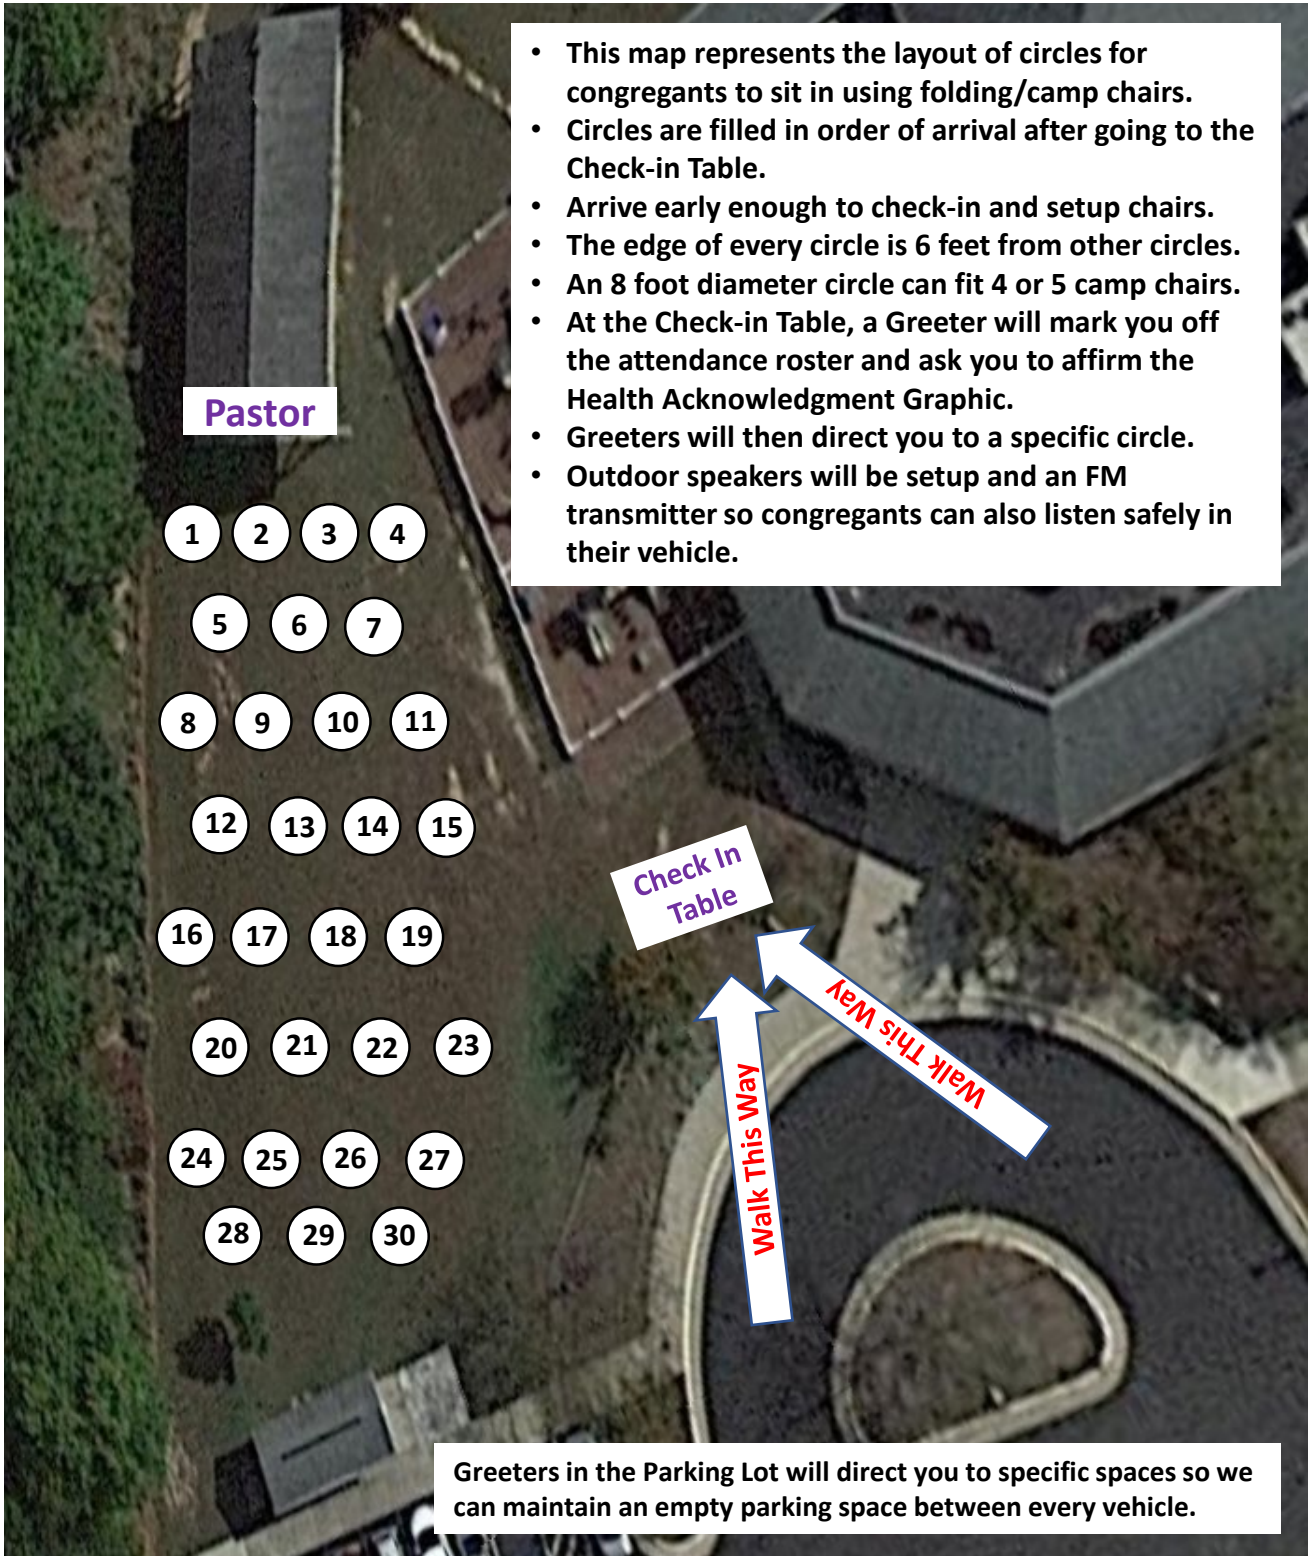

Can you affirm  
the following  
is true for your  
family?

Yes, we affirm  
everything on the Health  
Acknowledgement  
Graphic is true

- This map represents the layout of circles for congregants to sit in using folding/camp chairs.
- Circles are filled in order of arrival after going to the Check-in Table.
- Arrive early enough to check-in and setup chairs.
- The edge of every circle is 6 feet from other circles.
- An 8 foot diameter circle can fit 4 or 5 camp chairs.
- At the Check-in Table, a Greeter will mark you off the attendance roster and ask you to affirm the Health Acknowledgment Graphic.
- Greeters will then direct you to a specific circle.
- Outdoor speakers will be setup and an FM transmitter so congregants can also listen safely in their vehicle.

Greeters in the Parking Lot will direct you to specific spaces so we can maintain an empty parking space between every vehicle.
